CORE WORKFLOW

TIP: Track Saw + Centipede + Kreg 720PRO lets you build a full cabinet shop anywhere.

BUY IN TEXAS vs BUY IN CEBU

- BUY IN TEXAS (Bring)**
Hard to find / better price / system match
- BUY IN CEBU (Local)**
May be available locally / bulky items
- EITHER**
Available both places

PLAN AHEAD

Bring consumables in bulk.
Organize in labeled cases.
Check airline / shipping rules.
Protect tools & batteries.

Take your workshop with you. Build more. Anywhere.
